

SPRING 2017 HUNTER SAFETY CLASS

MARCH 2,4,7,9, AND 11
DEERFIELD ROD & GUN CLUB

Our team of instructors encourages you to plan ahead now for our club's spring hunter safety class. Class dates are March 2, 4, 7, 9, and 11. On Tuesday and Thursday we meet at 630pm to 9pm and on Saturday we meet from 9am to noon. Please note that ranges will be closed on March 4 and 11 from the morning until noon so that we can safely and effectively conduct the hunter safety course. Our classes are limited to 25 students which provides the maximum "hands on training" and keeps us within our club house capabilities. Cost for the course is \$10 of which \$5 goes for the training booklet and the other \$5 covers our costs for copying, mailings etc. .

If you need assistance, please let me know. Do not delay because the class fills up quickly. Are you already trained in hunter safety? If so, please consider volunteering to be one of our Hunter Safety Instructors. As a volunteer instructor, you will be representing both our club and the DNR. The Wisconsin DNR's Recreational Enforcement and Education Section (REES) oversees instructor selection, training and certification.
